Description

We set the standard for homes to follow with the neo-traditional look of this all brick, four-bedroom design. Dramatic doors flank the foyer leading to the formal dining and living rooms. With a wall of built-in bookshelves, the living room could easily serve as a study or library. The magnificent great room harbors a stunning fireplace nestled between twin doors leading to a sprawling covered porch. A superb breakfast room is the perfect accent to the spacious kitchen with its functional eatat bar.
