Description

This four-bedroom Nelson Design Group home plan has wonderful covered porches and everything necessary for a large family. Family areas include a breakfast room with computer center and nearby kid's nook as well as a spacious great room with fireplace. A well-equipped kitchen with plenty of storage is enhanced by a boxed ceiling and easily services the formal dining room. The master suite is privately located apart from the other bedrooms and has a ten-foot boxed ceiling, luxurious bathroom and expansive walk-in closet with built-ins. The bedroom nearest to the dining room can easily transform into the perfect home study or library.
