Description

NDG 179

A stunning addition to our Traditional House Collection, Olive Street prioritizes abundant storage with a focus on future needs. A traditional brick exterior paired with classic shutters is sure to welcome your guests from the outside! Upon entry, you will step into a foyer leading way to the formal dining room to the right and the spacious great room straight ahead. A cozy fireplace flanked by built-ins adds to the charm of this gathering space, and the stairs to the upper level separates it from the kitchen to the right. This kitchen features a breakfast room, as well as an office desk and plenty of counter space. Bookshelves within the center island along with a walk-in pantry are sure to satisfy all your kitchen storage needs. Continuing down the hall, you will find a guest room to the right and a full bathroom at the very end of the hall. The spacious laundry room

accesses both garages, where a small porch is featured just outside Garage 1.

On the left side of Olive Street, you will find a convenient seasonal closet adjacent to the Master Suite. This is perfect for any bulky winter items that just don't seem to fit in your primary closet year-round. Inside the master suite is a true haven, with a cozy sitting room and a luxurious master bath, characterized by a dual vanity, corner whirlpool bath, and glass shower. Stylish French doors open the master bath to the large walk-in closet, which features drawer space in the center. Across the hall are Bedrooms 2 and 3, which each feature walk-in closets and share a Jack and Jill bathroom in between. Bedroom 3 can also double as a study and holds a charming bay window looking out to the front yard.

Upstairs you'll find a secluded office, perfect for paying the bills or working at home. Extra space for a proposed fifth bedroom and game room ensure this is a growing family's home for a lifetime. Another full bathroom is also found here, further adding to the flexibility of the Olive Street home plan. How would you customize this amazing house plan?
