Description

Three levels hold all of the amenities in this luxurious Nelson Design Group home. The main floor features a grand foyer that ushers your guests into the dining room with columns. This kitchen was designed with the chef in mind and features double ovens, an island workspace, and bar seating. A covered grilling deck is also available for cookouts just off of the expansive rear deck. The upper floor of this home houses four bedrooms and two full baths, as well as plenty of storage space. The lower floor, however, could be the favorite of the entire family. A large game room and home theater can be found here, along with the option of a future workshop.
