Description

Comfortable living and a spacious interior are available in this home. Boxed ceilings are used in the Great room and Master suite allowing natural light to flow throughout. An optional computer center and fireplace in the great room allows family to enjoy quiet time together while doing homework or simply reading. The dining room is open to the kitchen and both can enjoy a view of the great room fireplace if desired. Also available in the kitchen is a walk-in pantry and laundry room. All bedrooms have walk-in closets and close proximity to a bathroom. A vaulted ceiling is used in the front bedroom making the perfect study or home office.
