Description

Almost 4,500 square feet of luxurious living await you in this two-story traditional design. A lavish entry welcomes you into this four bedroom home with fantastic amenities such as an enormous master suite, private home office, an upper level exercise room and state-of-the-art home theater with game area. Formal Living and Dining rooms with column entries are evenly placed at the front of the home setting a very formal tone. The large great room has a designated media center and shares a large bar-seating area with direct view into the gourmet-style kitchen. In addition to a large laundry room with hobby area, a nearby mud room with built-in storage and plenty of deep storage closets throughout this design make this the perfect family home.
