Description

NDG 1417

A stunning addition to our European House Collection, Grayson Lane features a brick, stone, and shake siding exterior with arched doors and windows and a 3-car garage. Upon entering the foyer, you are greeted by the Great Room, a stunning vaulted ceiling opening it to the kitchen and breakfast room. An eat-at bar with additional seating for 6 makes entertaining easy, and the screened grilling porch with an outdoor fireplace offers an additional gathering place for family and friends. The Master Suite occupies the right side of Grayson Lane, and the spacious master bedroom boasts a 10-foot boxed ceiling. The master bathroom flows from the rear to the front of the home plan, featuring luxuries of a whirlpool tub, a double sink vanity, a separate shower, a private toilet room, and a massive walk-in closet with a fold-down ironing board. A half bath beside

the foyer allows convenience for guests, and a laundry room located beside the garage entry provides for easy laundry drop-offs. On the left side of Grayson Lane are Bedrooms 2, 3, and 4. While Bedrooms 2 and 3 share a Jack and Jill style bathroom in between, with a double vanity and private toilet/shower room, Bedroom 4, the largest of the bedrooms, enjoys a private full bathroom and privately accesses the screened grilling porch. A bonus room is also found above the garage, offering tons of possibilities for your new home. How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs. Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans? Check out our [Modifications FAQ](#) page.
