Description

It's hard to choose a favorite feature in this lovely Nelson Design Group home. Mingle with friends by the fireplace in the great room before serving dinner in the elegant dining room. Bask in the sunlight in the huge sunroom or relax on the rear-grilling porch. At the end of a long day, tuck in the kids and retreat to your comfortable master suite for a long soak in the whirlpool bath. You won't have to worry about your guests in this home. A unique in-laws suite is included in this plan, so even guests have their own space. Upstairs, an additional bedroom and a huge game room for the family complete this design.
