Description

This home features 3 bedrooms, 2 bath and a spacious home theater/game room that's perfect for any family. Once you step inside the foyer from the columned portico you'll notice the staircase leading up and the columns that flank the opening to the dining room. Straight ahead lies the great room with its fireplace and built-ins on either side. The kitchen has a wrap-around, eat-at peninsula bar and is open to the breakfast room with its bay window and the hearth room with a fireplace and access to the rear grilling porch as well as front covered porch. The master suite is located in rear corner of the home and features a 10' boxed ceiling and a bay window with his and hers walk-in closets and the master bath offers a whirlpool tub, separate shower, and dual vanities. Bedrooms 2 and 3 are down the hall at the front of the home and have a bathroom they share. Upstairs is a home theater/game room and convenient computer center as well as a study.
