Description

Step into your dream home every day with this Nelson Design Group home. Wave to the neighbors as you relax on the huge covered front porch. Columns usher your guests into the great room with fireplace and elegant coffered ceiling. Enjoy a good book in the study located at the front of this home. All three of the secondary bedrooms are nestled together in this design with the private master suite on the other side. Watching the kids while doing housework has never been easier. Conveniently located near the kitchen is a computer center, while a kid's nook is included in the laundry area. Your family is sure to love the upper floor of this home. Enjoy family movie night in the home theater or play with the kids in the game room. This home is sure to be a hit with every family member.
