Description

Beautiful round-topped windows give this traditional Nelson Design Group home instant street appeal. At the heart of this design is the generous great room, perfect for entertaining. A convenient breakfast room adjoins the kitchen and offers easy access to the grilling porch. For more formal occasions, a large dining room with box column accents is readily available. After a long day, the whirlpool bath allows you to relax before bed in your private master suite, quietly tucked away from the remaining three secondary bedrooms.
