Description

Designer Michael E. Nelson's use of stone and timber creates a stunning exterior from both the front and side view of the home. The main level of this rustic home features an open floor plan with a spacious great room, dining area, and kitchen with a high bar. To the right of the great room is a covered grilling porch. Down the hall you will find a spacious master suite featuring vaulted ceiling, access to the laundry room, large walk-in closet, and a large private bath. Bedroom two is also found on this side of the home as well as a hall bath. The lower level of this home contains space for a bunk room or game room, a full bath, and access to the lower covered porch.
