Description

This contemporary mountain home is sure to please with its abundance of windows to make the most of your beautiful views. From the large great room with a pass thru fireplace shared with the breakfast nook to the stunning vaulted ceilings in the great room and dining room this home spared no luxury. The Master Suite is privately tucked away in the right side of the home with a large bath and office conveniently located just down the hall while 2 more bedrooms, a jack and jill bath, game room, and safe room are located in the walk out basement. The master piece of this home is the outdoor living space. With a 10' deck, screened porch and grilling porch upstairs all mirror below with a beautiful patio you will have no shortage of space to enjoy stunning fall sunsets with family and friends gathered together.

****The unfinished basement sq. ft is 773****
