Description

Natural Stone and brick create the perfect exterior combination for this Nelson Design Group home plan. Observe the open feel of this layout once you enter the great room. The dining and kitchen areas merge into one another, simplifying meal preparation and serving. Located in the back of this design is the generous master suite and bath. An additional bedroom that could double as a study can be found towards the front of this home. After a long day, enjoy the view from your rear screened porch before calling it a night. With so many amenities, your family is sure to love this home.
