Description

There is plenty of room for the whole family in this rustic country style home. The covered wrap around porch features stone and timber columns and an outdoor grill on the rear. The rear of this porch is also screened making it perfect for those summer nights. Access to the rear lower deck is also available from the wrap around porch. Inside you will find an open floor plan. This provides great sight lines from the kitchen, dining area, and great room. The secluded master suite features lots of closet space and access to the screened rear porch. Bedrooms 2 and 3 and another full bath are also located on the main level. Upstairs the bridge between bedrooms 4 and 5 overlooks the main floor living space below. Another full bath is also located on this level of the home.
